-Conference Schedule-

What is the Mason County Transition Conference ?

The Transition Conference is a free event designed to assist young adults prepare for Life After High School. At this conference you have the opportunity to:

- Learn from employers and what they expect
- Have great relationships at home & work
- Learn about personal safety
- Meet with employment & community vendors
- Ask questions
- Meet other students

Who should attend ?

The Mason County Transition Committee invites and encourages all High School Transition Students, Parents/Guardians & Teachers (At NO Cost) to attend the Ninth Annual Mason County Transition Conference.

How will I get there & back?

All students need to report directly to school the morning of the conference at their regular arrival time. Shelton area and Thurston County students will be transported to and from by their school. North Mason students will be transported to and from the Conference by Mason County Transit. All students will arrive back to school in time to board their regular bus.
